

My prayers are about The Church of god
Shielding immoral preachers

My prayers are about How the Church of god
Shamed and Chasten Mothers that refused
Them their babies

My prayers are about Church of god members
Shielding immoral preachers
By walking by faith and not by sight

My prayers are about
WWII Babies being sold by preachers
Of the church of god
While their fathers were POWs in Nazi Germany

My prayers are about The Church of god
Growing into what it is today
From selling babies doing WWII

My prayers are about
Mothers battling to save their babies
From Preachers doing WWII

My prayers are about Church of god
Woman finding their real mothers
By checking their birth records

My prayers are about How Dr. Ray H Hughes
Of the church of god Tried to Shame and Chasten
And Bully June Wyatt into giving him her baby
While her husband was a POW in Nazi Germany

My prayers are about June Wyatt telling Rev. Andrew Stevens
Of the Milford church of god about Dr. Ray H Hughes
And asking him for his help and prayers

Barry Wyatt Jr.
